*"It is true that it is God who is over the ministry there – I'm just honored to partner with Him in what He is doing in the Earth."  
– Sherry, missionary to Mali*

## *Bringing Good News To Hard Places*

SIM is a century-old catalyst for global mission that responds to need, proclaims the gospel, and equips the Church because there are people living and dying without Jesus. All that we do is sustained by prayer, and we support each other as we carry the good news to hard places. **People are at the heart of SIM.**

## Reimagine the Possible

Imagine a place where people have never heard the good news of Jesus Christ. They live and die without the hope that comes from life with Him. Instead of experiencing the joys of life, they live in despair.

Now imagine a different place. A place where people experience the love of Christ. Where lives are transformed and churches are born.

SIM is convinced that no one should live and die without hearing God's good news. He calls those who love Him to bring good news to hard places so people can reimagine the possible.

*God's desire was for me to take spiritual food to Africa—to share the truth about His Son, Jesus, and the life only He can give. I heard God whisper, 'I chose you and appointed you to bear fruit, fruit that will last...' (John 15:16)'" —Gina, missionary to Niger*

*"Unsure at first if we should even go due to challenges in raising support, God's provision came in ways we could never have envisioned. We are mystified by God's grace moving through a missional business venture to empower people to more deeply pursue God's purpose and plan for their lives."*

—Marco and Francesca, missionaries to Ecuador
