MORE ABOUT FRONTIERS

Jesus for Muslims

*Because even the most uncharted
frontiers need Christ*

WHO WE ARE

Frontiers trains and sends passionate, innovative men and women to persevere in making disciples in the furthest reaches of the Muslim world.

Millions of Muslim men and women will never experience the gift of God's redeeming love through Jesus Christ unless they hear about it from someone like you.

Fulfill your life's calling and help start a movement to Christ among the least reached, where the need is greatest.

WHAT WE DO

Frontiers teams serve together with a common vision for a region. As an international, grace-filled community, we honor different ministry approaches within biblical parameters.

WHERE WE GO

There are Muslim people groups who still have no access to the Gospel. By focusing on the regions with the highest concentrations of unengaged Muslim people groups, we're helping complete the Great Commission. Be a part of the unprecedented work that God is doing today in the Muslim world.
